Merchant Banking Redefined

The Best Banking Partner To Provide
E2E Merchant Financial Services

Our Partners

What We Offer

Smart Payment Acceptance

One-step setup for merchants to accept secured payment from multiple channels.

Swift Merchant Onboarding

Real-time KYC helps banks verify applicants effortlessly, and allows merchants to self-sign up.

MERCHANT

Pre-Approved Loans

Proactively push pre-approved loans directly to merchants with assistance from loan underwriting AI.

Self-Services & Marketing

Allow merchants to customize marketing campaigns to better reach their target audience.

In a fiercely competitive digital landscape, banks and financial institutions must accelerate efforts to optimize costs, improve efficiency, and boost digital sales. Partnering with banks, SILOT provides E2E financial services from payment to SME loans for merchants to grow their businesses.

The Best Banking Partner To Provide E2E Merchant Financial Services.

One-Stop Banking Solutions For Merchants

With a deep understanding of merchants' needs, SILOT builds an ecosystem that allows banks and merchants to grow together.

Merchant Acquisition

Fast and easy onboarding helps banks to acquire merchants more rapidly and retain relationship with them.

Scalable Payments

One-time setup and future proof for all payment channels and experiences.

Upsell Opportunities

With AI-powered analytics, banks can understand merchants' behavior better, allowing them to upsell merchants with more comprehensive financial services such as loans.

Tailored Marketing

Merchants can easily create their own marketing campaigns at no cost to attract target audience and grow revenue.

SILOT is the best QR and Merchant Payment Solution.
